| COLOR

The laundry pods have an exquisite appearance. IKEDA laundry pods come in a variety of colors and will not stain clothes. The variety is flexible and diverse, and customers can customize it as they wish, giving users visual enjoyment and intuitive functional experience.

| PACKAGING

The packaging of gel beads is tightly sealed, with precise capacity and strong resistance to extrusion and pressure. IKEDA can customize two-in-one or even five-in-one gel beads. It is moisture-proof and leak-proof to meet the needs of countries and regions with different climatic conditions. We can design and customize packaging for customers.
